QUARTERLY ???

I would like to introduce the first face you will see on Leedy Reunion Day at the registration table.

Meet Kay Stevens of Bellville, OH.

Kay's brothers are Howard, Don & Marvin Leroy and yes, Kay is the youngest. Kay's sister was killed in a 1944 auto accident before she was born. Kay enjoyed following her brothers around while growing up. And yes, it was nice to have brothers to drive you to school in the 50's. Kay remembers surprising the football team when she was 'so little' but remembered all their names because she shadowed her brothers so frequently to practice and games. Kay graduated in 1962 as a Bellville Blue Jay from Bellville, OH High School.

Kay remembers the trip of a lifetime when she traveled with Georgia Langley (connected with the Myer's Furniture Store, which is the Wishmaker House 'Bed & Breakfast' building in Bellville, OH today) to Wichita, Kansas who wanted a companion for the trip.

Kay met Roger Stevens at the Bowling Alley in 1966 when he had moved to OH from KY for his job with Ashland Oil. They moved back to KY in 1967. Seamstress Granny Naomi (Roger's mother) sewed many dresses for the girls while they grew up. The family moved back to OH in 1972 while raising their children. Kay worked at the local Stoodt's Market from 1989 – 1992. She remembers getting a job to pay for the steel siding for the house. Roger passed in 1995. Kay has enjoyed helping with many a Bizarre and carry-in meals at Chapel Hill church. Tracking down family history has been in Kay's blood for many years. She is assisting Errin & Steve Bechtel with our website family history information. She has traced her lineage through the Gerhart, Steven, Hamilton and Leedy families.

Kay's family roots cross my family roots at (1108) Josephus Keiser Leedy who is the brother to my Great-Great Grandfather (1107) Jacob Sylvester 'Ves' Leedy.

See when you go back far enough, all the Leedy's are related. Come visit with us on Reunion Day Aug 13, 2016 at the Old Leedy Grove in Ankenytown, OH

Kay has been the babysitter for all 3 of her girls children, and their children. She is also a proud Great-Grandmother of Nora Belle Lane born in October 2015. If Nora Belle comes to the reunion, she could be recognized as the 'youngest' on Reunion day.

Yet today, Kay teaches knitting and crocheting at the Lexington, OH Sr. Citizen Center.

I cannot thank Kay enough for her volunteer work at the Leedy Reunion registration table over the years. I hope she enjoys it as much as we enjoy having her. Come say hello in 2016.
